

Back to Face to Face learning Online Learning in the future

From Sunday 3rd October, the options for Online Learning come to an end. The KHDA announced this at the start of the academic year.

If you have been using online learning as your chosen method of education and are anxious about returning to face to face please get in touch with us.

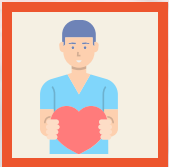

When will we still offer Online Learning Options when ?

Should any child test positive for Covid-19, we will offer online options for learning.

If your child is highlighted as a close contact and has to complete the required 7 days, we will offer online learning.

If a member of your family has a serious illness and the children coming back to school could cause vulnerability - we can discuss online learning options.

We will not offer online learning for sick days, travel days or extended holidays or weekends.
